

South Source SalesTM

1809 Riverchase Drive, STE. 36009 Hoover, Alabama 35244

2026 Line Sheet

AL, AR, GA, MS, LA, TN, KY, FL*

Modular Connections: www.modularconnections.com

Prefab Concrete Building Systems – Substation Control Houses & Decorative Wall Systems – Drop-in/Turnkey Capabilities – Generation Equip./Chem. Storage Bldgs. – Comm. Shelters – Restroom Bldgs. – Storm Shelters – Fire Walls – Std. LVL 4 Ballistic Rated (up to LVL 10) – 150mph Wind Rated as Std. (up to 250mph) – RF/EMP Protection Available

AL, GA, MS, LA, TN, AR, FL*

SAE Towers

www.saetowers.com

Transmission Poles up to 500kV – Light Duty (LD) Pre-Engineered Steel Poles, Direct-Embed/Wood Pole Replacements – Substation Structures, Lattice, Tubular & Wide-Flange Steel – Telecomm Towers – Transmission Line Hardware – HV Transmission Structure Engineering & Testing

THE EASTERN SPECIALTY COMPANY

AL, MS, GA, NC, SC, LA, FL*

TESCO: THE EASTERN SPECIALTY COMPANY

www.tescometering.com Field Test Equipment – Meter Shop Equipment – Meter Seals – Jumpers & Jumper Covers – Test Switches, Enclosures & Tran-sockets – Safety Equipment – Metering Software – Meter Lab Equipment & Services

TESCO AMI Solutions

Next Generation AMI Solution – Smart Devices – Cloud Software – Data Transfer – Worry Free/Secure Communications – Advanced Metering Features – Remote Connect/Disconnect – Prepay Metering – Data Collection – Instant Outage/Restoration Alerts

Tesco DirectConnect is a direct connection to your AMI system or Nighthawk zero-infrastructure AMI. It is a “plug and play” under-glass cellular modem for the kV2c meter and seamlessly integrates with interfaces such as MV-90 etc.

AL, GA, MS, LA, TN, AR, FL*

Efacec Power Transformers: www.efacec.pt/en/

Large Shell Form Transformers Up To 1500MVA, 525kV, (BIL 1675kV) – Core Type Power Transformers Up To 350MVA, 400kV, (BIL 1425kV) – Mobile Substations Up To 60MVA, 245kV, (BIL 1050kV) – Complete XFMR Service.

AL, MS Power

ESTEX Manufacturing Company: www.estexmfg.com

Utility Tool Accessories – Personal Protective Equipment – High Visibility Safety Products – Traffic & Work Zone Safety Products – PPE Bags – Aerial Tool Aprons, Aerial Hooks, Hardware & Straps – Splicers Tool Buckets

AL, GA, MS, LA, TN, AR, KY, FL*

Exponential Power: www.exponentialpower.com

Stationary Batteries for Transmission Equipment – Lead Acid, VRLA and Ni-Cad (up to 3585AH) – Lead Selenium Tubular Plate Technology – Active Battery Monitoring System (Equa-link) – Regulates Float Charging Voltage – Increases Reliability & Extends Battery Life – Meets NERC Requirements

AL, AR, GA, MS, NC, SC, LA, FL*

QEI Automation Solutions: www.qeinc.com

QEI offers comprehensive generation and distribution automation solutions through hardware, software and service offerings enabling utilities and transits to modernize current infrastructures.

QConnect is designed to provide utilities with a seamless, comprehensive solution for managing and optimizing utility operations. This state-of-the-art software solution integrates multiple modules for ADMS, SCADA, and other functionalities into a single, cohesive platform, enabling enhanced control, efficiency, and reliability across utility networks

AL, GA, MS, LA, TN, AR, KY, FL*

HARDCRAFT:

www.hardcraft.com

Unique Seismic Relay Rack Systems – Premium NEMA Enclosures – XFMR Enclosures – Wall Mounted Swing Racks – Modular 19” Relay Racks – Face to Face Racks – Retrofit Kits for Existing Control Rooms – Custom Solutions

SorbNSealTM: www.albarrie.com/secondary-containment Secondary

Oil Spill Containment Systems for Substations, Generation Plants & Dams – Oil Blocker Fabric – Multi-layered/Below Grade Systems – Q-MAX Hydrocarbon Filter (360° Filtration) – Highest Flow Rate in Market

AL, GA, MS, LA, TN, AR, KY, FL*

Fibergrate Composites: www.fibergrate.com

All Non-Conductive FRP Material Perimeter Security Fencing/Isolation Fencing – Utility Platforms (crossovers, breaker platforms, maint. stands) CIP Rated Trench Covers (unique interlocking design) – Slip Resistant Surfaces – No Rust – Low Maintenance/Lightweight – Long Lifespan

AL, GA, MS, LA, AR, FL*

Ranger Power Quality

www.rangerpq.com

The PM3000 Power Logger is the best value 3 phase power quality & harmonic logger on the market.

It measures almost every aspect of the electricity you're supplying or receiving; it is a must for utility, electricity and power supply companies as well as large industrial consumers, from heavy machinery plants to hospitals and supermarkets.

A 5-channel data logger built into an electric meter housing that is ideal for responding to residential voltage complaints and power consumption problems.

Formerly Peak Demand

***GA, *AL, *FL, - MS, LA, AR**

***Exclusive Distributor - Tri-State Utilities**

<https://www.accugridtech.com>

Introducing AccuGrid - Easy

- 24-hour lead times on the industry's largest inventory of stocked transformers.
- Industry-best rating factors, temperature performance, and accuracy
- The broadest design portfolio for legacy replacements
- Solid dielectric construction for superior service life
- And something new and truly special — a 10-year warranty, the highest in the industry

GA, AL, MS, NC, SC, FL, LA, AR, KY

Maximize Reliability, Minimize Costs:

The Smart Grid Solution.

Our comprehensive suite of grid monitoring solutions addresses critical challenges facing modern utilities, from rising O&M costs to wildfire risks. Accurate Fault Location Detection, Proven Solutions for Utility Operators Cut operational costs and improve grid reliability with field-proven solutions.

Our comprehensive platform helps utilities reduce O&M costs by ~30% while improving SAIDI/SAIFI metrics and optimizing crew efficiency.

Star-M Corporation has been designing, manufacturing woodworking bits, and we are proud to sell the WoodOwl brand of products in North America.

WoodOwl offers a full line of high-quality wood boring and drilling accessories designed for the professional who uses tools on the job, day in, day out.

Power tools are only as good as the accessory making the cut, and WoodOwl bits cut faster, cleaner, and last longer
